

# ANN MARIE CHANDLEE-TARA STOUT FOUNDATION, INC.

## ANNUAL GOLF CLASSIC

The Ann Marie Chandlee-Tara Stout Foundation is a not-for-profit organization. While carrying on Ann Marie and Tara's legacy, the foundation is committed to help families in a community who has a child or parent fighting cancer, by granting wishes and making monetary donations to families. Just as the story of Ann Marie and Tara's courageous battle touched the lives of many, this foundation will continue to do the same.

The Foundation will also continue to award a North Brunswick High School Senior with a \$2,500 scholarship in memory of Ann Marie. The criteria will focus on student's academic achievements, acquired skills, character, and leadership. The recipient must participate in community service activities and be enrolled in an institution of higher education. In addition, the Foundation will award a scholarship to a graduating senior at East Brunswick High School in memory of Tara. This will be a student who has overcome adversity in his or her life and has displayed courage in doing so, as well as being enrolled in an institution of higher education.

Ann Marie was a very active volunteer in the community of North Brunswick and dedicated many hours to community work, education and helping others. Ann Marie gave of her time and talent to such organizations as: PTA, Women's Club, Heritage Day, Adult Drama, Public Library, First Aid Squad and many more.

Tara was a vivacious 8 year old with a winning smile and a contagious spirit for life. In October 2005, Tara was diagnosed with Leukemia but continued school, cheering and also documented her journey by recording everything from spinal taps to quiet moments alone. This video entitled "**Diary of Hope**" has raised over 400 million dollars to help children with pediatric diseases. After a two-year courageous battle and a bone marrow transplant, Tara passed away on September 26, 2007, at 10 years old. Tara was a little girl who brought so much love, happiness and inspiration to everyone she met.
