If notice of redemption has been given by mail, the bonds or the portion thereof called for redemption shall be due and payable on the date fixed for redemption at the redemption price, together with accrued interest to the date fixed for redemption. In the event the Township determines that it is in the best interests of the beneficial owners of the bonds (the actual purchasers of the bonds) that they be able to obtain certificated bonds, the Township may notify DTC of the availability of bond certificates. In such event, the Township will appoint a paying agent for the bonds and the paying agent will issue, transfer and exchange bond certificates as required by DTC and others in appropriate amounts. DTC may determine to discontinue providing its services with respect to the bonds at any time by giving a reasonable amount of notice in writing to the Township and discharging its responsibilities with respect thereto. Section 19. The Township hereby covenants to comply with the provisions of the Code applicable to the Bonds and covenants not to take any action that would cause the interest on the Bonds to lose the exclusion from gross income for federal income tax purposes provided under Section 103 of the Code. Further, the Township will take all actions within its power that are necessary to assure that interest on the Bonds does not lose the exclusion from gross income for federal income tax purposes provided under Section 103 of the Code.

Section 20. The Township hereby authorizes the Chief Financial Officer, the Township Clerk, Bond Counsel, the Auditor and any other professionals of the Township to proceed with the sale of the Bonds, including the drafting of any documents necessary therefor.

Section 27. The Township hereby delegates to the Chief Financial Officer the authority to postpone the public sale of the Bonds in accordance with the Notice of Sale and the provisions of the Local Bond Law.

Section 22. The Township hereby ratifies in all respects all actions, if any, taken by the Chief Financial Officer, the financial advisor to the Township and bond counsel to the Township prior to the date of adoption of this Resolution in connection with the issuance of the Bonds.

Section 23. This resolution shall take effect immediately.

Redemption Provisions

The Bonds maturing prior to July 15, 2026 are not subject to redemption prior to their stated maturities. The Bonds maturing on or after July 15, 2026 are subject to redemption prior to maturity at the option of the Township, in whole or in part at any time, and if in part, in inverse order of their maturity and by lot within a maturity if less than all of the Bonds of such maturity are to be redeemed, on or after July 15, 2025. The Bonds subject to redemption shall be redeemed at the redemption price of 100% of the principal amount thereof plus accrued interest to the date fixed for redemption.

In the event of any redemption, notice thereof shall be mailed by first class mail, postage prepaid, to the registered owner of any Bonds to be redeemed at the address shown on the registration books of the Township not less than thirty (30) days nor more than sixty (60) days prior to the redemption date; provided, however, that failure to mail or receive such notice, or any defect therein, shall not affect the validity of the proceedings for redemption.

If notice of redemption has been given by mail, the Bonds or the portion thereof called for redemption shall be due and payable on the date fixed for redemption at the redemption price, together with accrued interest to the date fixed for redemption. Payment shall be made upon surrender of the Bonds redeemed.

Possibility of Mandatory Sinking Fund Installments

Bidders may elect to structure the issue to include term bonds (the "Term Bond Option"), which term bonds, if selected by the Bidder, will be subject to mandatory redemption prior to maturity, in the years and amounts shown above as serial maturities, upon payment of one hundred percent (100%) of the principal amount of the Bonds to be redeemed, together with accrued interest to the date fixed for such mandatory redemption. If the Bonds are awarded and no term bonds are designated in the Proposal for Bonds of the Successful Bidder (as defined herein), the Bonds will mature serially as shown in the preceding tables.

Interest Payment Dates; Payment of Interest

The Bonds will be dated the date of delivery thereof and will bear interest at the rate or rates per annum specified in the Proposal for Bonds of the Successful Bidder. Interest on the Bonds will accrue from the date of delivery thereof and will be payable semiannually on each January 15 and July 15, commencing on January 15, 2016 (each, an "Interest Payment Date"), in each year until maturity by check mailed on such Interest Payment Date to the owners thereof registered as such as of each next preceding January 1 and July 1 on the registration books maintained by the Township. Interest on the Bonds shall be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Bonds will be payable in lawful money of the United States of America.

Book-Entry-Only

The Bonds will be issued in fully registered form and when issued, will be registered in the name of and held by Cede & Co., as the registered owner thereof and nominee for DTC. The Bonds will be issued in the form of one certificate for the aggregate principal amount of each series of the Bonds maturing in each year.

Purchases of the Bonds will be made in book-entry-only form (without certificates) in the denomination of \$5,000 each or any integral multiple of \$1,000 in excess thereof, except that such minimum amount of the Bonds in excess of the largest principal amount thereof equaling a multiple of \$1,000 will be in the denomination required to issue the authorized principal amount of the Bonds.

In the event that either DTC determines not to continue to act as securities depository for the Bonds or the Township determines that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain bond certificates, the Township will appoint a paying agent and will issue and deliver replacement Bonds in the form of fully registered certificates. It shall be the obligation of the Successful Bidder to furnish to DTC an underwriter's questionnaire and the denominations of the Bonds not less than seventy-two (72) hours prior to the delivery of the Bonds.

Bid Specifications

To be considered, each Proposal for Bonds must be unconditional and must specify:

- a. a rate or rates of interest that the Bonds are to bear, in a multiple of 1/8 or 1/20 of 1%;
- b. the principal amount of Bonds the bidder will accept, which shall be \$19,180,000; and
- c. the price the bidder will pay for the Bonds, which shall be not less than \$19,180,000 nor more than \$19,181,000.

The interest payable with respect to each Bond on any one date will be evidenced by a single rate of interest. Not more than one rate may be named for Bonds of the same maturity. There is no limitation on the number of rates that may be named. If more than one rate of interest is named, no interest rate named for any maturity may be less than the interest rate named for any prior maturity.

Bidders for the Bonds shall be deemed to have designated all Revised Principal Amounts with respect to the Bonds as serial bond maturities unless bidders designate the Term Bond Option. The respective Revised Principal Amounts may be designated as a term bond maturity(ies) with consecutive sinking fund installments, if so desired. Bidders selecting the Term Bond Option shall (i) fill in the interest rates for the serial bond maturities, as appropriate, in Section I of the Proposal for Bonds; (ii) cross out the consecutive serial bond maturities in Section I of the Proposal for Bonds for each year in which the term bond maturity(ies) and

consecutive sinking fund installment(s) have been designated; and (iii) complete the Term Bond Option table in Section II of the Proposal for Bonds. The term bond maturity(ies) designated in the Term Bond Option table shall be equal in aggregate Revised Principal Amount to, and with amortization requirements corresponding to, the consecutive serial bond maturities that have been crossed out by the bidders.

Except as described herein under the heading "Procedures for Electronic Bidding," all bids must be on the official bid form entitled "Proposal for Bonds," which may be obtained from the Township or its Financial Advisor by calling the phone numbers listed in the last paragraph of this Notice of Sale. All bids which are submitted electronically via PARITY® pursuant to the procedures described below shall be deemed to constitute a "Proposal for Bonds" and shall be deemed to incorporate by reference all of the terms and conditions of this Notice of Sale. The submission of a bid electronically via PARITY® shall constitute and be deemed to be the bidder's signature on the Proposal for Bonds.

Right to Reject Proposal for Bonds; Waive Irregularities

The Township reserves the right to reject any and all Proposals for Bonds, and except as set forth in the next sentence, any Proposal for Bonds not complying with the terms of this Notice of Sale will be rejected. The Township reserves the right to (i) reject any or all Proposals for Bonds, (ii) so far as permitted by law, waive any irregularity or informality in any or all Proposals for Bonds and (iii) generally take such action as it deems will best serve the public interest. The bidder, by submitting a bid, agrees to accept the determination of the Chief Financial Officer.

Bid Security and Method of Payment for Bonds

A Good Faith Deposit ("Deposit") in the form of a certified, cashier's or treasurer's check or an electronic transfer of funds in the amount of \$383,600, payable to the order of the Township, is required for each Proposal for Bonds to be considered. Wire instructions may be obtained by contacting the Chief Financial Officer of the Township or its Financial Advisor by calling the phone numbers listed in the last paragraph of this Notice of Sale and such wire must be received and confirmed by the Township prior to 10:30 a.m. on the Bid Date. Such wire must also be accompanied by detailed wiring instructions for the return thereof in the event that such bidder is not the Successful Bidder. If a check is used, it must be a certified, cashier's or treasurer's check and must be provided to the Township by 10:30 a.m., New Jersey time, on the Bid Date at the address referred to above. Each bidder accepts responsibility for delivering such deposit on time and the Township is not responsible for any deposit that is not received on time. No interest on the Deposit will accrue to the Successful Bidder. The Deposit will be applied to the purchase price of the Bonds. In the event the Township shall fail to deliver the Bonds on the Closing Date (as hereinafter defined), or if the Township shall be unable to satisfy the conditions to the obligations of the Successful Bidder to pay for and accept delivery of the Bonds or if such obligations shall be terminated for any of the reasons specified herein, the amount of the Deposit shall immediately be returned to the Successful Bidder in full release of any claim that the Successful Bidder might have against the Township on account of its failure to deliver the Bonds. In the event the Successful Bidder fails to honor its accepted bid, the Deposit will be retained by the Township. Award of the Bonds to the Successful Bidder or rejection of all

Proposals for Bonds is expected to be made within two hours after opening of the Proposals for Bonds, but the Successful Bidder may not withdraw its Proposal for Bonds until after 3:30 p.m., New Jersey time, on the Bid Date and then only if such award has not been made prior to the withdrawal. The balance of the purchase price shall be paid in Federal Funds by wire transfer to the Township on or about July 30, 2015 (the "Closing Date").

All Proposals for Bonds, except for those Proposals for Bonds which are submitted electronically via PARITY[®], together with the Deposit described above, must be enclosed in a sealed envelope marked "Proposal for Bonds," and must be directed to the Chief Financial Officer of the Township of North Brunswick, 710 Hermann Road, North Brunswick, New Jersey 08902. If a Proposal for Bonds is being submitted electronically, via PARITY[®], the Deposit must be delivered to the Township at the foregoing address prior to the submission of the bid in accordance with this Notice of Sale.

Upon notice to the Successful Bidder, the Successful Bidder will make available to the Township, by no later than 1:00 p.m. on the date of award of the Bonds, the public offering prices and re-offered yields for each maturity of Bonds.

Procedures Regarding Electronic Bidding

Bids may be submitted electronically via PARITY[®] in accordance with this Notice of Sale, until 11:00 a.m., New Jersey time on the Bid Date, but no bid will be accepted after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY[®] conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY[®], potential bidders may contact the Township's Financial Advisor (using the telephone number set forth in the final paragraph of this Notice of Sale) or PARITY[®] at i-Deal at (212) 849-5021. The Township may, but is not obligated to, acknowledge its acceptance in writing of any bid submitted electronically via PARITY[®].

In the event that a bid for the Bonds is submitted via PARITY[®], the bidder further agrees that:

1. The Township may regard the electronic transmission of the bid through PARITY[®] (including information about the principal amount of the Bonds, the interest rate or rates to be borne by the various maturities of the Bonds, the premium bid for the Bonds and any other information included in such transmission) as though the same information were submitted on the "Proposal for Bonds" provided by the Township and executed by a duly authorized signatory of the bidder. If a bid submitted electronically via PARITY[®] is accepted by the Township, the terms of the Proposal for Bonds and this Notice of Sale, as well as the information that is electronically transmitted through PARITY[®], shall form a contract, and the Successful Bidder shall be bound by the terms of such contract.

2. PARITY[®] is not an agent of the Township, and the Township shall have no liability whatsoever based on any bidder's use of PARITY[®], including but not limited to any failure by PARITY[®] to correctly or timely transmit information provided by the Township or information provided by the bidder.

3. The Township may choose to discontinue use of electronic bidding via PARITY[®] by issuing a notification to such effect via TM3, or by other available means, no later than 3:00 p.m. (New Jersey time) on the last business day prior to the Bid Date.

4. Once the bids are communicated electronically via PARITY[®] to the Township, as described above, each bid will constitute a Proposal for Bonds and shall be deemed to be an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Sale. For purposes of submitting all Proposals for Bonds, whether by hand delivery or electronically via PARITY[®], the time as maintained on PARITY[®] shall constitute the official time.

5. Each bidder shall be solely responsible to make necessary arrangements to access PARITY[®] for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Township nor i-Deal shall have any duty or obligation to provide or assure access to any bidder, and neither the Township nor i-Deal shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY[®]. The Township is using PARITY[®] as a communication mechanism, and not as the Township's agent, to conduct the electronic bidding for the Bonds. By using PARITY[®], each bidder agrees to hold the Township harmless for any harm or damages caused to such bidder in connection with its use of PARITY[®] for bidding on the Bonds.

Clarification Prior to the Opening of Bids

The Township may, in its sole discretion and prior to the opening of bids, clarify any term hereof, including, without limitation, its decision to discontinue use of electronic bidding via PARITY[®], by issuing a notification of the clarification via TM3, or any other available means, no later than 3:00 p.m. (New Jersey time) on the last business day prior to any announced date for the receipt of bids.

The Township further reserves the right to postpone, from time to time, the Bid Date. Any such postponement will be announced by TM3, or any other available means, not later than 9:00 a.m., New Jersey time, on the Bid Date. Any such alternative Bid Date and the time at which bids are due will be announced via TM3, or any other available means, at least 48 hours before bids are due. On any such alternative Bid Date, bidders shall submit Proposals for Bonds in conformity with all of the requirements hereof, other than the date of submission and sale and any further or contrary provisions set forth in such announcement, which further or contrary provisions must be complied with by all bidders.

Adjustment of Bonds After the Opening of Bids

The Township may, in its sole discretion, after the receipt and opening of bids, adjust the Revised Principal Amounts (as adjusted, the "Final Principal Amounts") provided that any change in the aggregate Final Principal Amount of Bonds shall not exceed 10% of the aggregate Revised Principal Amounts thereof. The Successful Bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the Revised Principal Amounts within this limit. The dollar amount bid by the Successful Bidder will be adjusted to reflect any adjustments in the aggregate principal amount of the Bonds. Such adjusted bid price will reflect changes in the dollar amount of the underwriters' discount and original issue discount/premium,

if any, but will not change the selling compensation per \$1,000 of par amount of Bonds. The interest rate specified by the Successful Bidder for each maturity will not change. The Township shall notify the Successful Bidder of the Final Principal Amounts and the resulting adjusted purchase price no later than 8:00 a.m. New Jersey time on the day following the sale and award of the Bonds.

Basis of Award

Unless all Proposals for Bonds are rejected, the Bonds will be awarded to the bidder (herein referred to as the "Successful Bidder") offering such interest rate or rates which will produce the lowest true interest cost to the Township over the life of the Bonds. True interest cost shall be computed by determining the interest rate, compounded semi-annually, necessary to discount the debt service payments to the date of the Bonds and to the price bid, excluding interest accrued to the delivery date. The true interest cost shall be calculated from the dated date of the Bonds and shall be based upon the Revised Principal Amounts of each serial maturity and the bid price set forth in each Proposal for Bonds submitted in accordance with this Notice of Sale. In case of a tie, the Township may select the Successful Bidder by lot. It is requested that each Proposal for Bonds be accompanied by a computation of such true interest cost to the Township under the terms of the Proposal for Bonds, but such computation is not to be considered as part of the Proposal for Bonds.

Delivery and Payment

It is expected that delivery of the Bonds in definitive form will take place at the offices of DTC in New York, New York and that payment for the Bonds will take place at the offices of McCarter & English, LLP, Bond Counsel to the Township ("Bond Counsel"), in Newark, New Jersey on or about the Closing Date. The Successful Bidder must be prepared to take delivery of the Bonds on the Closing Date and simultaneously pay the remainder of the purchase price thereof (including accrued interest) IN IMMEDIATELY AVAILABLE FEDERAL FUNDS by 9:30 a.m. (New Jersey time) on the Closing Date.

Documents to be Delivered at Closing

The Successful Bidder shall be obligated to furnish to the Township within forty-eight (48) hours prior to the Closing Date a certificate (the "Issue Price Certificate") satisfactory to Bond Counsel to the effect that: (i) such Successful Bidder has made a bona fide offering to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) of each maturity of the Bonds, at the initial public offering prices indicated for such maturity in its Proposal for Bonds, (ii) ten percent (10%) or more in par amount of the Bonds of each maturity were sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at the initial public offering price set forth in its Proposal for Bonds and (iii) at the time the Successful Bidder submitted its Proposal for Bonds, based upon then prevailing market conditions, the Successful Bidder had no reason to believe that any maturity of the Bonds would initially be sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at a price greater than the initial public offering price set forth for such maturity in its Proposal for Bonds, or that the fair market value price of any

maturity of the Bonds would be in excess of the initial public offering price for that maturity set forth in its Proposal for Bonds. In the event that the Bonds shall be held by the Successful Bidder for investment and not to be offered for resale to the public, the Successful Bidder shall specify on such Issue Price Certificate the purchase price being paid by the Successful Bidder to the Township for each such maturity, which purchase price shall be at least equal to the fair market value price of such maturity or maturities.

The obligations hereunder to deliver and accept and pay for the Bonds will also be conditioned on the availability and the delivery on the Closing Date of the approving opinion of the law firm of McCarter & English, LLP, Newark, New Jersey, which will be furnished without cost to the Successful Bidder, substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Bonds. Such opinion shall state to the effect that the Bonds are valid and legally binding obligations of the Township, and that all the taxable real property within the Township is subject to the levy of ad valorem taxes, without limitation as to rate or amount, to pay the Bonds and the interest thereon; and will also state that under existing law, interest on the Bonds is not includable in gross income for purposes of Federal income taxation. The obligations hereunder to deliver and accept the Bonds shall be further conditioned on the availability and delivery on the Closing Date of (a) certificates in form satisfactory to Bond Counsel evidencing the proper execution and delivery of the Bonds and receipt of payment therefor and the setting forth the facts necessary to conclude that the interest on the Bonds will be excluded from gross income under Section 103 of the Code; (b) a certificate, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds; (c) a certificate signed by the Township relating to accuracy and completeness of the Preliminary Official Statement and the final Official Statement; and (d) a Continuing Disclosure Certificate satisfying the requirements of Rule 15c2-12 (as hereinafter defined) and the undertaking of the Township with respect thereto.

Insurance

If the Bonds qualify for the issuance of any policy of municipal bond insurance or commitment therefore at the option of a bidder, any purchase of such insurance or commitment therefore shall be at the sole option and expense of the bidder and any increased cost of issuance of the Bonds resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the Successful Bidder of its contractual obligations arising from the acceptance of its Proposal for Bonds. In the event such a policy of municipal bond insurance is obtained, the Successful Bidder shall, simultaneously with its delivery of the Issue Price Certificate, furnish to the Township a certificate, in form and substance satisfactory to Bond Counsel, containing such information as shall be required, in the opinion of Bond Counsel, to establish that such municipal bond insurance policy constitutes a "qualified guarantee" (as defined in Section 1.148-4(f) of the Treasury Regulations), the premium for which may be taken into account in determining the yield on the Bonds for purposes of Section 148 of the Code.

Preliminary and Final Official Statement

The Township has issued an official statement with respect to the sale of the Bonds in preliminary form (the "Preliminary Official Statement"). The Township, by accepting the Proposal for Bonds submitted by the Successful Bidder, (a) certifies to the Successful Bidder as of the date of acceptance of such Proposal for Bonds, that the Preliminary Official Statement furnished prior to the date of such acceptance has been "deemed final" as of its date by the Township within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 ("Rule 15c2-12"), except for certain omissions permitted thereunder and except for changes permitted by other applicable law and (b) agrees to provide to the Successful Bidder, in order to permit the Successful Bidder to comply with Rule 15c2-12, with up to seventy five (75) copies of the final Official Statement within seven (7) business days after the date of the acceptance by the Township of such Proposal for Bonds at the sole cost and expense of the Township, with any additional copies that the Successful Bidder shall reasonably request to be provided at the sole cost and expense of the Successful Bidder. The Successful Bidder, by executing its Proposal for Bonds, agrees to provide two copies of the final Official Statement (with any required forms) to the Electronic Municipal Market Access ("EMMA") System of the Municipal Securities Rulemaking Board (the "MSRB") or its designee pursuant to MSRB Rule G-32 no later than ten (10) business days following the date of acceptance of its Proposal for Bonds, and to notify the Township of the date on which the final Official Statement is filed with EMMA. The Successful Bidder, by such execution, further agrees that the Closing Date shall be the date of the "end of the underwriting period" for the Bonds within the meaning of Rule 15c2-12.

CUSIP Identification Numbers

It is anticipated that CUSIP Identification Numbers will be printed on the Bonds. Obtaining such CUSIP Identification Numbers and the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the Successful Bidder. The Township will assume no obligation for the assignment or printing of such numbers on the Bonds or for the correctness of such numbers, and neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Successful Bidder thereof to accept delivery of and make payment for the Bonds.

Additional Information
