

**A RESOLUTION OF THE TOWNSHIP OF NORTH BRUNSWICK
AUTHORIZING THE AWARD OF A CONTRACT TO
HACH C/O NORTH EAST TECHNICAL SALES, INC.
UNDER THE DEPARTMENT OF PUBLIC WORKS
FOR SIX FLOW METERS**

WHEREAS, the Sewer Division under the Department of Public Works is responsible for providing maintenance and repairs to the municipal sanitary sewer system; and

WHEREAS, the Township currently has an agreement with the Middlesex County Utility Authority (MCUA) for the treatment of the municipality's wastewater (average 5MGD); and

WHEREAS, within the Township's sewer distribution system, the MCUA has four sewer metering stations (Georges Road, Remsen Avenue, Livingston Avenue and 12th Street) that are used for monitoring and billing; and

WHEREAS, due to the long distance between two monitoring points, additional information from installing municipal meters will enable the Sewer Division to precisely identify points at which excessive Infiltration/Inflow (I&I) may be entering the system; and

WHEREAS, to proactively manage the system it is the recommendation of the Sewer Division to install six portable flow meters; and

WHEREAS, Hach c/o North East Technical Sales, Inc. (of Harleysville, PA) holds State Contract A85091 for meter hardware, software, and related equipment; and

WHEREAS, Hach c/o North East Technical Sales, Inc has submitted a proposal in the amount of \$62,661.12 for the purchase of six portable flow meters, related equipment and management software; and

WHEREAS, the Chief Financial Officer has certified that the Sewer Capital Ordinance Account C-08-55-C16-151-101 has sufficient funding for said purchase.

NOW, THEREFORE, BE IT RESOLVED on this 2nd day of November, 2015, that the Township Council of the Township of North Brunswick does hereby authorize a contract with Hach c/o North East Technical Sales, Inc. for the purchase of six portable flow meters, related equipment and management software in the amount of \$62,661.12 in accordance with the State Contract A85091.
