

Residents,

The Borough of Spotswood has asked residents throughout Middlesex County for their support by voting for their cause for a grant they submitted to improve Reider Road Park. Spotswood is one of the 200 finalists with the top 40 in voting receiving a grant.

Reider Road Park is currently in disrepair and is frequently impacted by flood waters from Manalapan Brook. If Spotswood wins the grant, improvements will be made to mitigate flooding and the park amenities will be refurbished. State Farm Neighborhood Assist Grant will award \$25,000 each to the top 40 causes. Winners will be determined by number of votes received between May 14-[June 3, 2015](#). Voters must have a Facebook account and can vote up to 10 times per day until [11:59pm](#) on June 3rd.
