

HIDDEN LAKE DRIVE AREA

Cablevision Trunk Line Project – Notice

On Thursday, January 8, 2015, contractors for Cablevision will be in your neighborhood performing an infrastructure upgrade of their cable system. All work will be performed within the Public Right of Way, with limited disturbance to lawn areas. A placard will be placed at each affected house indicating what to expect during this project and contact information. The project is expected to be completed within two weeks, weather permitting.
