

Live Where You Work Homebuyer Program

1. **PROGRAM DESCRIPTION:** The program offers homebuyers who will live and work in a Live Where You Work participating municipality a low-interest 30 or 40 - year fixed-rate first mortgage from the New Jersey Housing and Mortgage Finance Agency together with Live Where You Work downpayment assistance and/or closing costs in an amount equal to 5% of the first mortgage loan. Municipalities must be approved by the Agency to participate in the program. In consideration of the anticipated commuting costs savings, the underwriting guidelines for borrowers' housing and overall debt ratios (the portion of a borrower's gross income permitted to be paid toward monthly mortgage payment and other debts) will be expanded by 3% over the usual Agency underwriting limits giving borrowers significantly more buying power. Property location requirements apply (See "Eligible Properties" below).
2. **DOWNPAYMENT/CLOSING COST ASSISTANCE:** Live Where You Work borrowers are eligible to receive Live Where You Work Downpayment and/or Closing Cost assistance in an amount equal to 5% of the Agency's first mortgage amount.
3. **LWYW FIRST AND SECOND MORTGAGE LOANS (TWO INCOME CATEGORIES):**
 - a. **For borrowers with household incomes under 80% of the county maximum income limit for the county of purchase** (refer to the Income Limit and Purchase Price sheets attached) the first mortgage rate is the prevailing Agency Homebuyer program rate at the time of loan registration.* Such borrowers will sign a LWYW second note and mortgage that will be secured by a 7-year (84 month) non-amortizing mortgage bearing the same interest rate as the first mortgage. However, at the end of the 48th month and each 12 months thereafter 25% of the principal on the note will be deemed satisfied and the remaining balance will be re-amortized until at the end of the 84th month the mortgage obligation will be fully discharged.
 - b. **For borrowers with household incomes at or above 80% of the county maximum income limit for the county of purchase** the First Mortgage rate is the prevailing Agency Homebuyer program rate at the time of loan

registration plus 5/8% of a percent. *Such borrowers will sign a LWYW second mortgage and note secured by a 4-year (48 month) non-amortizing mortgage bearing the same interest rate as the first mortgage. However, at the end of the 12th month and each 12 months thereafter 25% of the principal on the note will be deemed satisfied and the remaining balance will be re-amortized until at the end of the 48th month the mortgage obligation will be fully discharged.

The 40-year mortgage note rate is 1/8% higher than the 30-year rate

4. **FEES:** Borrower must pay 1% of the loan amount at time of application plus a reasonable application fee (see #8 Charges to Borrower). The lender will reimburse the 1% to the borrower at the time of closing. This is a 0 point loan.
5. **ELIGIBLE PROPERTIES:** Properties must be located in a participating Live Where You Work municipality. Eligible properties include one-family units, including condominiums, (new and existing), and existing 2- to 4-family unit properties that are more than 5 years old. Properties must be located in State designated Smart Growth locations. Some Live Where You Work municipalities include Urban Target Areas (UTA). In Urban Target Areas eligible properties can also include new two-unit residential dwellings.

Urban Target Areas (UTA) are based upon census data. Therefore, in order to find out if an address is located in a UTA, you will need to identify the census tract within which the address is located. To determine if the proposed property is within an Urban Target Area (UTA), visit the [Site Evaluator](#) and follow the [instructions for how to find census information](#). Only properties located in approved Live Where You Work municipalities are eligible for the LWYW program benefits.

6. **BORROWER ELIGIBILITY:** Individuals only. Corporations and partnerships are not permitted to act as borrowers. At least one of the borrowers must verify that their place of employment is located in the participating municipality. Borrowers purchasing properties located in "Statewide Areas" must be first-time homebuyers. Borrowers purchasing properties located in Urban Target Areas do not have to be first-time homebuyers, however, at the time of loan closing, no other residential properties may be owned. To determine if the proposed house is located in a Statewide Area or an Urban Target Area please see the attached Income Limit/Purchase Price Sheet. All borrowers must have a minimum credit score of 620. The middle score from the three credit repositories – Equifax, Experian & TransUnion must be used. If a borrower has only two credit scores, the lower of the two will be used. A borrower does not qualify if they do not have a credit score or only have one credit score.

9. **CHARGES TO THE BORROWER:** Borrowers will be charged an application fee when the application is taken. This fee will cover the cost of the credit report(s), appraisal, flood certification or other customary third-party expenses and administrative costs incurred during processing.
10. **PURCHASE PRICE LIMITS:** Maximum purchase price limits exist for both Statewide and Urban Targeted Areas (Please see attached Income Limit/Purchase Price sheet).
11. **MORTGAGE INSURANCE:** the following coverage is required on all conventional loans when the loan-to-value exceeds 80% and is determined by the size of the downpayment.
