

FEMA Region II: Alzheimer's Caregiving Tips

Preparation for a Disaster

✓ *Alzheimer's patients' disaster kits should include:*

1. Medication
2. Recent photos of the individual
3. Physicians contact details
4. Copies of legal, medical, and insurance documents
5. Spare eyeglasses or hearing aid batteries
6. Pack familiar and comforting items

✓ In the case of relocation be sensitive to his or her emotions, stay close, offer your hand

✓ Make sure the patient wears an ID bracelet

✓ Know how to get to the nearest emergency shelters
